Here at Earle Street Baptist Church, the safety and security of our congregation is of utmost importance to us. Protecting the preschoolers and children entrusted to our care each week is a top priority. That's why we have chosen to implement a secure check-in system for our children. KidCheck is a secure children's check-in system that enhances the security measures already in place and helps to ensure that no one can pick up a child without the consent of the parent or guardian.

Signing up for KidCheck is easy and free for parents, guardians, and workers!

NOTE: Only one account is needed per family. Have one parent create the account and add the other as a guardian.

1. Visit <https://go.kidcheck.com> or download the KidCheck app on a mobile device.
2. Select the link to create a free KidCheck account. Fill in the requested fields, and agree to the terms of use. **Make sure you use your cell phone number.**

Adding Children and Guardians

If you are a volunteer/employee only, and have no kids to add, you may skip these steps

1. Locate the "Kids" tab. Select the link to add a new child, and input your child's information and upload photos. Select the save button when you are done.
2. Locate the "Guardians" tab. Input additional guardians whom you would like to be able to pick up the children you've listed. Add their information and upload photos. Remember to click save when you are done.

Have more questions?

Visit our website:

www.esbcgreenville.org/kidcheck

If you would like assistance setting up your account, we are having 2 drop-in sessions that you can attend:

Dates: Wednesday, May 23 and June 6

Time: Anytime between 6:00-7:00pm

Location: Shanna Johnson's office, Room 102

ESBC Staff will be there to assist you with your account or answer any questions you have about the KidCheck process.
